

Control Traffic with a Stop Slow Bat

Full program

RIIWHS205E

Special Offer

We can include
RIIWH206- Operate
Portable Traffic Control
Device

FREE

Purpose

Our purpose is to help people feel empowered to do the best they can everyday for the benefit of themselves, their employer and the community they protect.

How We Deliver this

Theory

8 hours

Classroom Based Training

Written assessment which requires a 100% pass mark.

Vocational Work Placement

Trainees must undertake 20 hours of vocational placement and complete a log book as evidence. We assist with placement if required.

Observation Assessment

A final Observation Assessment will be conducted on successful completion of the theory and vocational placement components of the course.

Statement Issued

Upon successful completion of theory and practical training, we will then issue the Statement of Attainment to participants who then apply for the Traffic Controller Industry Authority Card at any TMR Transport and Motoring Centre (additional TMR costs apply).

Eligibility Criteria

- ✓ Hold a valid construction industry white card.
- ✓ Held an open or provisional driver licence (Australian or foreign) within the last 5 years.
- ✓ Undergo a criminal history check by TMR.
- ✓ Satisfy certain medical fitness and suitability criteria.

Certificate Validity

Statement of Attainment can be submitted within 12 months of attainment to TMR as part of the application. The TMR Traffic Controller Accreditation is issued for 3 years.

Our Accreditations

Funding

Eligible candidates may be able to access CSQ funding for this course which would reduce or remove their financial contribution. RIIWH5205 only
